Dividend Reinvestment Plan Issue Price

Qube Holdings Limited (**Qube**) today confirms that the issue price of shares to be under the Dividend Reinvestment Plan (**DRP**) for the final dividend for the year ended 30 June 2017 is \$2.5234.

The period for determining the price for the DRP concluded on 26 September 2017. The issue price was calculated using the volume weighted average price for all of Qube's shares sold on the ASX over the 10 trading days immediately following the record date for payment of the dividend.

As previously advised, the record date for the dividend was 12 September 2017.

It is expected the new shares to be issued pursuant to the DRP will be issued around 12 October 2017 and will rank equally with all shares currently listed on the ASX.
