## QUBE SUCCESSFULLY COMPLETES INSTITUTIONAL ENTITLEMENT OFFER

Qube Holdings Limited (“**Qube**”) is pleased to announce the successful completion of the institutional component (“**Institutional Entitlement Offer**”) of its fully underwritten 1 for 6.35 accelerated pro-rata non-renounceable entitlement offer (“**Entitlement Offer**”) that was announced on Thursday, 30 April 2020.

The Institutional Entitlement Offer raised approximately \$264 million at \$1.95 per share (“**Offer Price**”). It was extremely well supported by institutional shareholders with take-up of approximately 99.3% by eligible institutional shareholders (excluding Canada Pension Plan Investment Board who did not participate). There was overwhelming demand from both existing Qube shareholders and new institutional investors for the balance of the institutional component, comprising renounced entitlements and entitlements attributable to ineligible shareholders.

Qube Managing Director, Maurice James said

*“We are pleased by the strong support shown by existing investors and other institutional investors for the offer. We see the success of the offer as a clear endorsement of Qube’s long term strategy. This Entitlement Offer provides support to continue the investment in our core businesses, as well as pursue growth opportunities that we expect to arise from the current environment.”*

New shares issued under the Institutional Entitlement Offer will rank equally with existing shares. The new shares issued under the Institutional Entitlement Offer are expected to be allotted on Tuesday, 12 May 2020. Trading will commence on a normal settlement basis on the Australian Securities Exchange (ASX) on the same day.
