

John Allen Memorial Scholarship

John Allen was a legendary long term employee at Qube, who played an important role in the growth of the business.

John was an incredible mentor for many younger employees, known for being forthright and generous and always asking, “What do you need? And can I help you?

John exemplified Qube values of Integrity, Reliability and Inclusion and to honour his memory, Qube has established the John Allen Memorial Scholarship. This scholarship has been designed to recognise and support outstanding emerging leaders, through mentorship and further training opportunities.
